

WANEZEK FAMILY DENTISTRY

INSURANCE AND FINANCIAL POLICY

At **Wanezek Family Dentistry** we believe that you deserve the best care. That's why we always present you with the best dental solution possible to treat your personal situation. Each year we provide outstanding dental care to hundreds of patients. Some have dental benefits but some don't. If you have dental benefits, congratulations! You are fortunate. Here are some important things you should know:

- Your dental benefits are based upon a contract made between your employer and an insurance company. If you have any questions regarding your dental benefits, please contact your employer or insurance company directly. Dental benefit plans will almost NEVER pay for completion of your dental care. It is only meant to assist you.
- We estimate your portion based on the most up-to-date information we have, but it is **ONLY AN ESTIMATE**. If you would like to know your insurance benefit, we would be happy to file a "pre-treatment authorization" with your insurance company prior to treatment. Keep in mind this is not a guarantee of coverage. This does delay treatment but will give you a more accurate out of pocket figure that you may require.
- We will bill your insurance as a courtesy. If insurance does not pay within 90 days, Wanezek Family Dentistry reserves the right to request payment in full for services from you and let you collect the insurance funds that are due to you. This is rare but it is important that you recognize that the insurance you have is a legal contract between YOU and your insurance company. Our office is not and can not be part of that legal contract. Ultimately, you are responsible for all charges incurred in our office.

***Wanezek Family Dentistry does require payment on patient portion at the time of service.
We accept Mastercard, Visa, Care Credit, cash, and personal checks.***

I agree to the above conditions.
